

## Thank You for Your Contribution in Honor of Dave Brady's Leadership

Dave Brady, after 16 years as President and CEO of IFMA, retired in February. In a show of our appreciation and to honor Dave's outstanding leadership, the following chapters, councils, corporations and individuals have made a donation in Dave's name to his charity of choice. Dave, who has been a tireless advocate for FM Education, has said that his charity of choice is the Accredited Degree Program (ADP) within the IFMA Foundation. Thus far, a total of \$19,275 has been donated.

### Matching Challenge

As an additional incentive for 'non Chapter/Council contributions', Kayhan International is matching funds donated up to \$5,000. In this category \$1350 has been matched thus far. The matching challenge offer ends March 19, 2010.
